Thank you for your collaboration!

DIRECTOR'S FOREWORD

Dear Campers and Parents,

Welcome to the Camp Barney Medintz family — welcome to *Our Summer Place!*

We are thrilled that you will be joining us for Summer 2026. Our team has been hard at work preparing for an incredible season, thoughtfully designing programs and experiences that help campers grow, connect, and thrive.

At Camp Barney, campers and staff come together to build a vibrant community grounded in Judaism, friendship, personal growth, and fun. Our experienced team is dedicated to creating a safe, nurturing environment where every child can feel supported, challenged, and celebrated.

This handbook is designed to help you prepare for the summer ahead and answer many of the questions you may have before your child arrives at camp.

We cannot wait to welcome your children to camp and share a meaningful and memorable summer together.

Warmly,

Danny and the Camp Barney Medintz Team

Our Camp Philosophy

WELCOME

We are thrilled that you have chosen to be a part of the Camp Barney Medintz family and honored that you trust us with your child. We take that responsibility very seriously, and we look forward to partnering with you to help every camper have a successful and meaningful experience at Our Summer Place.

We encourage you to read through this information as we hope it will answer most of your questions. Of course, if you have others, please contact us at summer@campbarney.org.

GUIDING PRINCIPLES

OUR MISSION

To provide a nurturing summer home where campers find or enhance their personal connection to Judaism while developing independence, practicing acceptance and inclusion for others, and building their own Jewish community of peers and mentors that will last a lifetime.

OUR VISION

To cultivate the next generation of young Jewish people who will make a positive impact in the world.

OUR VALUES

Community

Camp Barney is a space for everyone to feel welcome. At camp, we develop meaningful connections, embrace differences, take care of each other, and show support and appreciation for our camp community.

Self-Discovery

Camp Barney is a place to feel safe, physically and emotionally. We challenge ourselves to become independent and confident while discovering the best version of ourselves.

Joy

We are most open to learning and growing when we are having fun. Camp Barney is a place to play together and experience true joy.

Making a Positive Difference

We share an obligation to take care of the community around us – its environment and its people – with the goal of making a positive impact. We aim to think of others and make our interactions positive, knowing we are always trying to improve.

Jewish Identity

Camp Barney makes Judaism approachable so that everyone in our community can connect to traditions and culture in a way that is both meaningful and comfortable. We expose our community to the array of Jewish experiences among us and around the world.

Integrity

Camp Barney's community prioritizes treating people, animals, and the environment with kindness, compassion, and empathy. We emphasize making good choices, even when no one is watching.

COMMITMENTS AND CONDUCT

Before arrival at camp, we require every camper and staff member to acknowledge and agree to the following commitments to our community:

My Commitment to Camp Barney Medintz:

1. I will treat everyone with kindness and respect.
2. I will help others feel welcome and valued.
3. I will embrace people who are different from me and the things that make each of us unique.
4. I will be present and connect with the people at camp.
5. I will challenge myself to have new experiences.
6. I will take care of my body, mind, and soul.
7. I will think about the physical and emotional safety of others before I act.
8. I will strive to make a positive impact in my community and help make the world a better place.
9. I will show appreciation for the Jewish traditions we share.
10. I will have fun and help others find joy.

I understand that the following behaviors are strictly prohibited at Camp Barney Medintz:

- Creating or encouraging an unsafe environment
- Physical violence directed at any person or animal
- Verbal abuse or sexual harassment
- Physical relationships between a staff member and a camper
- Possessing firearms or other weapons
- Use or possession of alcohol or illegal drugs

Please note: This list above outlines our zero-tolerance rules for all CBM campers. This is not a comprehensive list of our rules but rather illustrates the behaviors that will directly result in dismissal from camp.

By signing the Camper Contract in your Camp Account, your camper agrees that they will not break any of the rules above, and they understand that if they do, they will not be allowed to stay at camp.

As noted in the Enrollment Terms and Conditions, there are no deductions from the camp fee for a camper arriving late or leaving early. Camp Barney Medintz reserves the right to dismiss a camper without refund because of his or her inability to follow the Rules of Behavior or adjust to the cooperative group setting created at Camp. **This policy also extends to campers who are dismissed or voluntarily depart early due to mental, emotional, or social health concerns.** Any camper who sustains an injury while at Camp, necessitating departure for the remainder of the session, will have prorated fees refunded.

ACA ACCREDITATION

Camp Barney Medintz is a member of the American Camp Association and has achieved accreditation status by completing a voluntary peer review process of standards applicable to our program.

Fun And Safety — ACA Camps Set the Standard

ACA Accreditation means that the camp cares enough to undergo a thorough (up to 290 standards) review of its operation — from staff qualifications and training to emergency management. American Camp Association® collaborates with experts from the American Academy of Pediatrics, the American Red Cross, and other youth-serving agencies to assure that current practices at the camp reflect the most up-to-date, research-based standards in camp operation. Camps and ACA form a partnership that promotes summers of growth and fun in an environment committed to safety.

ACA helps accredited camps provide:

1. Healthy, developmentally appropriate activities and learning experiences
2. Discovery through experiential education
3. Caring, competent role models
4. Service to the community and the environment
5. Opportunities for leadership and personal growth

What's the difference between state licensing of camps and accreditation by ACA?

Accreditation is voluntary, and ACA accreditation assures families that camps have made the commitment to a safe, nurturing environment for their children. Licensing is mandatory and requirements vary from state to state. ACA standards are recognized by courts of law and government regulators as the standards of the camp community.

How do ACA standards exceed state licensing requirements?

ACA goes beyond basic requirements for health, cleanliness, and food service into specific areas of programming, including camp staff from director through counselors, emergency management plans, health care, and management. ACA applies separate standards for activities such as waterfront, horseback riding, and adventure and travel.

What are some of the ACA standards that camps rely on?

1. Staff to camper ratios are appropriate for different age groups
2. Goals for camp activities are developmentally based
3. Emergency transportation available at all times
4. First-aid facilities and trained staff available when campers are present

1. Summer Pickup/Dropoff Form (This form is only necessary if you will be picking your child up and dropping your child off again in the middle of their camp session. If they will be arriving late for their session or departing early from their session, please indicate that on their travel form.)
2. Bar/Bat Mitzvah form (This form only applies to campers having a mitzvah this coming year and is only necessary if your child will have Bar/Bat Mitzvah coaching at camp.)
3. Trip waivers (We will let you know if this applies to your camper.)

PACKING FOR CAMP

Please be sure each item is clearly marked with your camper's first and last name (not initials!). All clothing and personal items should be plainly marked with indelible markers or labels. Please also write your camper's name on their laundry bag with indelible markers.

Built-in cubby space is provided in each cabin for storage. On average, each camper will have four deep cubbies for their belongings.

Please limit luggage to **two (2)** pieces per child. We only allow **soft-sided duffel bags** at camp to allow for easier storage. No trunks! We recommend large duffel bags or any other type of soft-sided luggage. Many families find luggage at an Army Navy Store or online. If you are shipping your bags or flying with them, please review luggage size limit information in pre-camp travel emails.

Parents: Please supervise packing your child(ren)'s luggage! We encourage children to assist with packing their luggage.

CLOTHING AT CAMP

At Camp Barney, we understand that clothing is a way to express individuality. At the same time, how we dress and present ourselves reflects the respect we have for ourselves and others. The temperature at camp is quite nice, allowing for shorts and T-shirts during the day (85-95 degrees). We recommend slightly warmer clothing during mornings and evenings (65-75 degrees) in the earlier part of the summer. Camp is an outdoor setting where fun often means getting wet and messy, so we encourage campers to bring comfortable, breathable, lightweight clothing that allows them to move freely and participate fully in all activities. Casual shorts, T-shirts, and tank tops are great options, and all clothing and personal belongings should be clearly marked with the camper's full name. **We recommend sending clothes that you do not mind getting dirty or stained—most activities take place outdoors, and that Georgia red clay just can't be avoided!**

While camp is informal, we do have a few expectations to ensure a respectful and inclusive environment for everyone:

- Clothing with offensive images, wording, hate speech, or references to illegal/inappropriate activity is not allowed.
- Attire should allow campers to fully participate in all activities without causing distractions or safety concerns.
- Swimwear should provide appropriate coverage.
- In dining areas and during religious observance, modest dress is expected.
- For Shabbat, we ask our camp community to dress in slightly more formal attire and modest dress in keeping with our tradition. Appropriate options include polo-style collared shirts with khaki shorts, skirts with blouses, summer dresses, or blouses paired with casual shorts or skirts that allow for appropriate coverage. Some campers choose to wear sports jerseys for Saturday morning services, though this is entirely optional.

We encourage campers to dress in a way that allows them to have fun while also respecting the values of our camp community. _____

HAMMOCK POLICY

To ensure camper safety and prevent property damage, anyone using a hammock at camp is expected to follow these rules:

- Hang your hammock within 18" off the ground and never above other hammocks or concrete.
- Only hang your hammock from mature, live trees, not buildings.
- Be chill in your hammock. No jumping or aggressive swinging.
- Take your hammock down when you are not using it.
- No more than two people in a hammock at a time.
- If we see any hammocks that are not hung up in accordance with these policies, we will confiscate, store, and return the hammock at the end of the session.

WHAT NOT TO BRING

Campers and staff may not bring anything to camp that is dangerous and could cause injury or destroy property. **Those who bring illegal drugs or paraphernalia, alcohol, or weapons of any kind will be dismissed.**

Other items indicated below are **inappropriate for camp and therefore not permitted**. Should they be discovered, they will be taken away and/or discarded, and we will contact you to discuss whether your child will be permitted to remain at CBM.

PROHIBITED ITEMS INCLUDE:

Cigarettes, e-cigarettes, lighters, vape pens, matches
[Cell phones and smartwatches are prohibited at camp](#)
Walkie-Talkies
Pocket Knives
Food, sodas, candy, etc.

Any device violating our [Electronic Devices Policy](#)
Video games, TVs
Explicit music
Inappropriate/sexualized clothing
Fireworks

CELL PHONE POLICY

Campers are not permitted to have their phones or smartwatches with them at camp. We strongly recommend that campers do not travel with their cell phones to camp unless required for communication during travel. If you choose to allow your camper to bring their phone, we will collect it, label it with the camper's name, unit, and travel method, and store it until the end of the session. To allow us to properly take care of your camper's phone, please ensure that they turn it in at the times as specified below.

For Atlanta campers or campers coming through the airport, phones will be collected as campers board the bus to camp. At your request we will also collect and store their phone charger.

For campers riding out-of-town buses, phones will be collected upon their arrival at camp.

Please make sure your camper's phone—and any accessories, like a charger—are labeled and powered off before turning them in.

ELECTRONIC DEVICES POLICY

To encourage a screen-free experience, **the following devices are NOT allowed** at camp:

- **Smartphones** (e.g., iPhone, Android phones)
- **Smartwatches**
- **Tablets and iPods** (e.g., iPads, iPod Touch, Kindle Fire,) that can download videos or movies
- **Gaming consoles** (e.g., Nintendo Switch, handheld gaming systems)
- **Laptops or personal computers**
- **Walkie-talkies**

The following devices ARE allowed:

- **Music players with no Wi-Fi, web browsing, communications, or video capability** (e.g., iPod Nano, basic music players)
- **Non-touchscreen watches** (e.g., basic digital watches)
- **E-Readers with no web browsing, communications, or video capability**

If you are unsure if an item is allowed at Camp, please email Summer@campbarney.org to verify.

NUT-FREE CAMP

To help protect the health and safety of the campers and staff in our community, Camp Barney Medintz is a nut-free camp. No peanuts or tree nuts (including cashews, almonds, pecans, pistachios, walnuts, etc.) or foods containing peanuts or tree nuts in their ingredient list are permitted on camp property. Some purchased products we use may be processed in a facility that has nuts or on shared equipment.

LOST AND FOUND

Lost and Found items are displayed throughout and at the end of each session, and counselors will make every attempt to help campers locate misplaced items daily! However, CBM cannot assume liability for the loss or damage of personal items. **Please label everything!**

LAUNDRY

Laundry will be washed three times during each four-week session and once during each two-week session. There is no laundry service for one-week campers.

A local professional laundry service washes, dries and folds the contents of each camper's clearly marked laundry bag and returns clothes the next day. Please make sure your camper's laundry bag is made of durable material. **Mesh bags do not hold up well over the course of the summer, and do not help to protect the clothes inside.** To view suggested bags or to purchase laundry bags, please click [here](#).

While the camp and our laundry provider take great care with camper clothing, items may occasionally be misplaced during the laundering process. In the rare event that clearly labeled camper laundry is lost while in

the care of the camp's laundry service, the camp will reimburse families for lost items up to a maximum of **\$400 per camper**. We encourage families to label all clothing clearly and avoid sending expensive or irreplaceable items to camp.

FIRST-TIME CAMPERS

If your child is coming to Camp Barney for the first time, it can be really helpful to begin preparing them for the daily routines they will experience at camp. Talking through what a typical day might look like, and practicing certain skills at home can help children feel more confident and comfortable approaching the increased independence that camp encourages. Here are some expectations of CBM campers to help you start that conversation:

1. Using the bathroom independently

(We understand that some of our younger campers still sleep in Pull-ups, which we are happy to accommodate.)

2. Communicate their own health needs

For example, being able to tell a counselor, *"I'm allergic to dairy,"* or *"My throat hurts."* This helps our staff respond quickly and appropriately.

3. Complete basic hygiene routines independently

This includes brushing teeth, washing their face, and showering without physical assistance

4. Dress and undress themselves

If your child is still learning certain skills (like tying shoes), consider sending alternatives such as slip-on or Velcro shoes.

5. Fall asleep on their own

Campers share cabins with peers, so being able to settle themselves to sleep is an important part of the experience.

6. Serve themselves and eat independently

Meals at camp are served family-style, and campers help themselves and manage their own dishes.

7. Carry their own bag or backpack and water bottle

8. Campers should have the stamina to comfortably walk about ¼ mile, such as from the cabin to the Dining Hall.

ADJUSTING TO CAMP

Upon arrival at Camp Barney Medintz, it is common for all campers, new and returning, to require some adjustment. Some campers may immediately become homesick and might express these feelings in the first or second letter home to you. In fact, homesickness is normal! It's often about being away from all that is familiar and suddenly encountering new places, new faces, new systems, and a change in routine. It's common for adults, too!

Experienced campers may initially compare their first impressions to a previous counselor, camp, or fellow campers. Also, normal! Some kids adjust sooner than others, but generally, campers become truly comfortable when more and more about camp becomes familiar.

Our staff will be ready to respond to campers upon their arrival. Some kids need some quiet time at first with reduced instructions and stimuli, and some want to know everything right away! Still, others feel fine once they connect more with their counselors, campers in their cabin, the Health Center, cubby space, their bed, facilities, activities, and routines. That's why the first letter home, especially if distressful, is often a very premature (and sometimes a very dramatic) reaction!

Meanwhile, you may choose to build excitement and/or reduce anxiety by doing some pre-camp preparation. Express your confidence in your child's ability to take care of himself or herself, knowing that asking for help is perfectly okay. Send along familiar items from home. Talk about the adventures awaiting your child, reuniting with old friends or making new ones, and which qualities your child possesses that other kids will be drawn to.

BIG TOPICS

Homesickness:

Homesickness is a natural, normal feeling that almost all children (and adults!) feel when they're away from home. Those feelings just vary in intensity from one person to the next. According to the American Camp Association (ACA), "there are several factors that put children at greater risk for becoming homesick. For example, children with little previous experience away from home, children who have low expectations of camp, children who feel forced to go to camp, children who are unsure whether adults will help them if they need help, children who have little practice coping with negative emotions, and children whose parents express a lot of anxiety are most likely to feel homesick."

Often, homesickness is not a problem. But when it is, parents and camp staff can work together to help. Some parents fear that mentioning homesickness before camp begins will *cause* their child to be homesick. In fact, the opposite is true. Talking to your child about homesickness before they leave home is a great idea! It may even prevent homesickness before it starts. Have your child help pack for camp. Reassure them that camp is a fun and safe place, and that there are lots of adults on staff to help them if they are feeling sad. Remind them how confident you are in their abilities and independence, and *please* don't promise them that you'll come pick them up if they're feeling homesick! If possible, have your child spend some "practice" time away from home, such as a long weekend at a friend or relative's house. Try different coping strategies during this trial run.

The first letter or two that you receive from your camper may sound sad. Feelings of homesickness are often exaggerated during downtime (including rest hour, which is usually when campers write letters home). If you do receive such a letter, please start by taking a deep breath. We know it's hard to imagine your child being sad and not being there to hug and comfort them. Remember that these feelings are natural and common and that our staff ARE there to hug and comfort your child. Also know that in the time that it took the letter to reach you, your camper may have adjusted to camp and the feelings expressed may no longer be accurate. Write your child back an encouraging letter, validating their feelings. Here are a few ideas of positive things to say to a camper who is feeling homesick:

- Your feelings are normal.
- I have confidence in you. I know you can do this.
- I know you feel miserable right now.
- I am not coming to pick you up early.
- Nothing fun or exciting is going on at home.
- The days will start going much faster once you've adjusted to camp.
- The more you participate and get involved, the better you will feel.
- Overcoming your homesickness will help you feel more confident about future adventures away from home.
- Even though it's painful right now, I know that you are growing and maturing because of your camp experience.
- I'm really proud of you.

If you continue to be concerned, please contact us. We are happy to do some investigating and give you an update. We want to work together with you to make sure your child is happy and having the time of their life at camp.

Being a part of a group:

Before camp, it can be really helpful to have conversations with your child about what it means to live in and be a part of a group. Campers will be sharing space, attention, and experiences with others, sometimes in ways that are new. You may want to talk about things like keeping their area tidy, so others feel comfortable, taking turns, and being flexible when things don't go the way they want them to.

This is a great time to introduce age-appropriate conflict resolution, too. Let your child know it's okay to feel frustrated at times when living with others, but using words, asking for help, and compromising are important skills. Framing all of this as part of the "adventure" of camp can help it feel more exciting and less overwhelming as your child navigates new experiences.

Meeting Different People:

Camp Barney is also a place where your child can meet peers from a range of backgrounds, abilities, family structures, and identities. Preparing them for this can be as simple as talking to them about how meeting new people is a normal part of being in a community.

Camp Barney's staff go through training on how to keep camp's fun environment at the forefront of the camper experience, and how to work with our professional team in order to facilitate appropriate and comfortable peer relationships. Helping your child understand that all members of our community deserve to be treated with kindness and respect can go a long way in fostering these positive relationships.

Those that will be flying from/to out of town are required to use the ATL airport. Camp will organize a chaperoned bus to/from the airport on all opening and closing dates for families flying from afar.

When there are eight or more campers booked on the same flight, we will seek to arrange for a chaperone to accompany them, and camp will reimburse the chaperone for the cost of the flights to and from. If your child is on a chaperoned flight, the chaperone(s) will escort the group directly from the gate to our meeting location at baggage claim, and then the buses when they arrive. For flights that are not chaperoned, our staff will greet your camper at baggage claim and guide them to the camp buses. Buses will be available for loading by 12:00 PM.

On departure days, campers will travel from camp to the airport on buses that are supervised by our staff. We will drop campers off in the lower-level departures area of the airport between 9:00 AM and 9:30 AM. The same policy applies for chaperoned flights as above. Camp will seek and reimburse a chaperone for flights with at least 8 campers. All chaperones will meet us at the Delta check-in counters. After this point, parents and guardians choosing not to take a chaperoned flight are responsible for ensuring that their child is checked in, supervised appropriately, or able to move through the airport independently if they are old enough. We encourage parents to either accompany their child through the airport or provide clear, detailed instructions so your camper feels prepared and confident.

For more details, please see the "Travel Options" document in your campers' online forms dashboard. Included in this document is a list of recommended flights from a variety of cities so that we can increase the likelihood of meeting the requirements to have a camp sponsored chaperone. If you choose to book other flights, we ask that campers land no later than 11:00 AM on Opening Days, and departure flights are scheduled for after 12:30 PM on Closing Days. Please allow additional time for international flights.

LUGGAGE

LUGGAGE TAGS

We will email luggage tags to you prior to camp. These are color-coded and enable us to deliver baggage to the proper “village” at camp. Please attach a tag to each piece of baggage.

SHIPPING LUGGAGE

We only allow up to two **soft-sided duffel bags** at camp to allow for easier storage. **We strongly encourage you to use bags that measure no more than 40 x 20 x 20 inches and 50 pounds** when packed to avoid paying some really high extra fees. Due to an increase in ecommerce, the shipping carriers have been overloaded and are struggling to keep up with demand. As a result, they have added extra fees for bags that are oversized and overweight. Staying within the 40 x 20 x 20 size should ensure that you don’t exceed the various size limits that result in extra fees that can get up to \$125 per bag per trip.

LUGGAGE SHIPPING OPTIONS:

- We are again offering [IFL](#) who is a 3rd party company that has serviced our families since 2011. They provide door to door service in South Florida and coordinate shipping for families anywhere in the country. [You can access their website](#) here or via a form on your dashboard. **Please note that this is a 3rd party and while we do suggest you use them, they are not on our staff, and we are not an affiliate of their business.**
 - IFL will charge additional fees for any bag over 17,280 cubic inches or 50 pounds
- Families are welcome to work with FedEx or UPS directly to ship luggage, but these rates may be higher than IFL’s negotiated rates.
- Luggage being shipped to camp should be set up to arrive on the Wednesday before your camper’s opening day. Luggage pickup at the end of your session should be scheduled on your last day of camp at 3pm or later.

LEAVING CAMP DURING THE SESSION

If your camper needs to leave camp during their session (for example, for a wedding, Bar/Bat Mitzvah, medical appointment, or audition), we will work with your family to accommodate the absence whenever possible.

Please note the following guidelines:

- Camp programming and previously scheduled out-of-camp trips cannot be rescheduled due to mid-session travel.
- Families are responsible for transporting campers to and from camp for any mid-session departure or return.
- All pickups and drop-offs must take place at Camp Barney Medintz in Cleveland, Georgia.
- To arrange mid-session travel, please complete the Summer Pickup and Drop-off Form on your parent dashboard.
- Once the form is submitted, our office team will confirm a pickup and return time that works for your family and aligns with the camp schedule.

If your camper will arrive late to the session or depart before the scheduled end date, please indicate this on the same travel form so our team can plan accordingly. Thank you for helping us maintain a smooth and safe schedule for all campers.

PROGRAMMING AND ACTIVITIES

We are focused on providing an experience that your children will remember for the rest of their lives. Through this experience, they will develop lasting friendships, an appreciation and respect for the environment, and a sense of belonging within our Jewish community. Part of that experience is gained through the amazing connections your child will have with their cabin mates, and another part of that experience comes from your child participating in the wide array of fun activities that we offer at camp. One aspect that makes our activities and programming so special is the idea of sequential programming.

We divide up our activities into two categories: general activities and age-specific (sequential) activities. General activities are activities that everyone can participate in no matter how old they are. Examples of these types of activities include swimming in the pool, skiing or water tubing, tie-dying, playing sports, or doing some amazing activities in nature. Age-specific activities are exclusive to certain age groups. This means your child will always have something to look forward to at Camp Barney from year to year and lets us enact programs that build camper skills and confidence from one year to the next as campers learn to do new things that build off the year before.

Example of Sequential Programming at Camp Barney Medintz

Learning to appreciate nature through camping in the great outdoors

Every age group will have the opportunity to spend time in nature while they are at Camp Barney, with new activities and experiences that increase their comfort outdoors, build skills, and provide new challenges. Our youngest campers begin this experience with an evening in the woods with their cabinmates, eating tasty food cooked over a campfire before returning to their bunks for the night. 4-week campers and older two-week campers build on this experience by staying out for the entire night with their cabin group, singing songs, and roasting marshmallows. Chaverim cabin groups hike our in-camp trail while carrying their own gear and food, spending the night at a beautiful campsite. This experience helps prepare them for the next year when they go on "Appy:" hiking for 3 days and 2 nights on the Appalachian Trail. The next year, Alufim campers spend the night outdoors in a group of three campers in a program called "Trio." They are responsible for putting up their own shelter, building their own campfire, and cooking their own food. The outdoor experience for campers culminates during the JIT year, when campers participate in a very special camping experience called "Solo." Campers set up their own individual site and spend the night using the skills and experience gained up to that point in a fantastic reflective experience.

At camp, your child will experience both general and age-specific activities in a fun environment with their friends with support from highly engaging trained staff. They are exposed to new and different activities that may nurture an existing interest or spark a new one. Each activity is designed to be incredibly fun while also providing opportunities for campers to learn about teamwork, sportsmanship, communication, creativity, resilience, and adaptability. Perhaps most importantly, our program provides opportunities for campers to discover more about themselves and the people around them. We hear from many staff and alumni about how the activities they participated in at camp directly correlated to them discovering a new passion that ultimately led to a career. We are proud of the activities and programming we have at camp and can't wait for your camper to participate in them.

CANTEEN

Our canteen serves a variety of afternoon snacks for campers. Campers can choose from a selection of healthy snacks, chips, candy, cookies, and Barney Bars (only available on Sundays). Gluten-free, nut-free, and dairy-free options are always available and will be clearly indicated. Each camper may receive one snack item from canteen per day, six days per week. (There is no canteen on Shabbat.) Your camper's canteen fee also includes laundry and camp T-shirt.

VISITORS

We do not allow families to visit enrolled campers (or staff) during camp sessions. We maintain this policy to provide a continuity of experience away from home and to create an environment for our community that ensures safety and familiarity.

TIPPING

In keeping with the philosophy of Camp Barney Medintz, gratuities are not accepted. If you truly wish to acknowledge a staff member, you are welcome to donate to Camp Barney Medintz in their honor.

Communication

CAMPANION

We know that during the summer, while campers are at CBM having the time of their lives, as a parent you sometimes can't help but wonder what they're up to and miss them like crazy. We utilize an amazing Campminder phone app called Campanion to help you connect to your camper's experience.

With Campanion, you can review a feed with news about life at Camp Barney. You'll also be able to see photos and videos taken at camp and use handy facial recognition tools to be notified whenever pictures of your camper are posted.

You can also email your child(ren) as often as you want through the [Campanion App](#)! Emails are printed six days per week (Sunday – Friday) and delivered to campers during Rest Hour after lunch. Messages received after the 10:00 AM print time may be printed the following day. Purchase *CampStamps* packages in your [Camp Account](#) and save money. When you send a CampStamp email to your camper, you can now request a return scanned letter! To learn more about CampStamps and return letters, please see our [BY EMAIL](#) section.

The best news? Campanion helps with all your pre-camp preparations (including filling out camp forms!).

- **Download the Campanion App to your [Android phone](#) or [iPhone](#) here!**
- Use your current Camp Account email address and password to log in
- Complete forms online and upload completed paperwork right in the app
- Upload a training photo of your child, which enables the app to send you photos of your camper over the summer
- Ensure you have push notifications enabled within your phone settings so you can receive important updates from camp all year long!
- Send your camper emails or download pictures using the app
- If you need help with the app, choose the Help option.

For more information about Campanion, [please visit the FAQ](#).

Not a fan of phone apps? You can still access your forms, view photos, and send emails using your online account by [Logging in to your Camp Account here](#). If you need help with anything regarding your online account, click on the Help link at the top right of the screen and browse the FAQs. If none of these answer your questions, click on the Help Tickets link and create a help ticket. These help tickets will be sent directly to our technology partner (for online camp applications, photos, email, etc.) CampMinder and will be answered within 24 hours.

If you'd like to grant access to allow friends or family to view pictures and get news from camp, [please follow these instructions to create a guest camp account](#). Guest accounts do not have access to Campanion accounts.

BY MAIL

We encourage you to send letters to your child via “snail” mail. It’s always fun to receive a letter. (Some parents even arrange for that first letter to be at camp before their child arrives! If you choose to do so, it will be delivered on their first full day at camp.)

Please write to:

<YOUR CAMPER’S NAME>

CAMP BARNEY MEDINTZ, CABIN # _____*

4165 HWY 129 NORTH

CLEVELAND, GA 30528-2309

* You will receive an email with your campers’ cabin number on their first full day of camp. **Please ensure that your camper’s cabin number is written on all physical correspondence sent to camp if sent after the cabin number has been shared.**

Campers can also send handwritten snail mail back to you. If you would like your camper to do this, please send your camper with pre-addressed envelopes and stamps. These letters may take several days to arrive. Local post offices are historically slower than bigger city post offices. Sometimes, a camper’s first letter home might indicate a difficult adjustment or homesickness. By the time you receive a letter sent by mail, it’s very likely that those feelings have been resolved. Nevertheless, if you’re concerned, please call and we will be happy to provide an update!

PACKAGE POLICY

At Camp Barney, we ask that no packages be sent to campers. Our “no package” policy helps ensure the health, safety, and fairness of the camp experience. Please share this policy with grandparents and family members to avoid confusion. If your child urgently needs an essential item, please contact our office via email at Summer@CampBarney.org for approval before sending a package. Approved packages must contain only items from the following list:

Acceptable Essential Items

- **Bedding:** Pillow, sleeping bag, or blanket
- **Clothing:** Only items necessary to replace those forgotten or insufficiently packed (e.g., socks, underwear, shoes)
- **Comfort Items:** Forgotten stuffed animal or security blanket (subject to approval by camp directors)
- **Hygiene:** Essential products (e.g., shampoo/conditioner, soap, deodorant, hairbrush, toothpaste/toothbrush)
- **Eyewear:** Glasses, contact lenses, or swim goggles
- **Camp Equipment:** Flashlight, batteries, or backpack

Important Notes

- **All packages will be opened by office staff to confirm their contents.**
- Unapproved items will not be returned and will be donated locally in White County.
- For security purposes, DoorDash and other delivery services using independent contractors as delivery drivers are not permitted in camp.

Letters are always welcome and are a wonderful way to stay connected!

BY EMAIL

A steady flow of mail to and from home can make a world of difference in your child's positive feelings about camp and home. As mentioned in the [Campanion section](#), you can use Campanion, or your [Camp Account](#), to send emails as often as you'd like to your child while they're at camp. Letters are printed six days per week (Sunday – Friday) and delivered during Rest Hour. Messages received after the 10:00 AM print time may be printed the following day. Purchase *CampStamps* in your [Camp Account](#) to send messages and save money with package deals.

Camper Scanned Letters & eLetter Replies

Campers are never required to send mail home, but they can always request a scannable blank letter template from their counselors during Rest Hour to write a letter to send home. These letters are scanned and sent daily (Sunday – Thursday) as an email attachment or can be viewed in your Campanion or CampInTouch account.

- **How It Works:** When you send a *CampStamp*, you can request a handwritten eLetter reply by selecting "I would like a handwritten eLetter reply to this email". If selected, your camper will receive an extra sheet of eLetter stationery with a custom barcode connected to the email address that sent the *CampStamp* letter and requested a reply, giving them the option to write back.
- **Delivery:** eLetters written by campers will be emailed as attachments to the email address associated with that eLetter. As previously mentioned, upon the camper's request, we will provide campers with different blank eLetters addressed to each parent or guardian in their primary and secondary household. You can also add guests to your Campanion account. Guests can send letters to campers and request a handwritten eLetter reply that will be delivered directly to the guest. Although eLetters can only be sent to a single email address, the recipient can forward the eLetter.
- **Cost & Viewing:** *CampStamps* can be purchased through your CampInTouch account. Sending one eLetter to a singular camper costs 1 *CampStamp*. Additionally, you can purchase optional add-ons, such as Sudoku, Email Stationery, and SendASmile, for an extra 1 *CampStamp* each. There is no cost to request a handwritten eLetter reply when sending a *CampStamp* or to receive a reply. eLetters can also be shared and downloaded at no additional cost.

Please Note: Selecting the handwritten eLetter reply option **does not guarantee** your camper will respond. However, if they choose to write back, you'll receive their handwritten note directly to your email and eLetter inbox—no waiting on the postal service! We encourage you to talk with your camper before the summer about responding to letters, so they know how much you love hearing from them!

Though the first letter home might reflect a difficult adjustment or homesickness, a more accurate view of your child's early camp experience may come in their second letter. If you're deeply concerned, please call us—we're happy to check in and provide an update!

BY TELEPHONE

The Camp Barney Medintz summer telephone number is (678) 812-3844.

Our office hours are:

Sunday – Thursday: 9:00am to 8:00pm (EST)

Friday: 9:00am to 5:00pm (EST)

Saturday (Shabbat): 11:00am to 6:00pm (EST)

DURING OFFICE HOURS

You may call us any time during camp! If we are unable to answer during office hours, a return call to you will be made that same day. If you specify urgency, a director or another camp administrator will be sought immediately. (Please remember, we're a 540-acre facility and camp administrators may be far from the office when you call— with campers, at programs, etc.) We may also wish to contact you so that together, we can ensure the most successful experience for your child.

AFTER HOURS

If you call the office after hours, you will be directed to our messaging service, and we will return your call the next day. In the event of an emergency, our messaging service will give you the option to connect to the director-on-call.

COMMUNICATING WITH CAMPERS

Parents are not permitted to communicate with campers via telephone except under extenuating circumstances at the discretion of camp directors. Our long history has shown us that parent phone calls often interfere with camper adjustment, group dynamic, and the overall community environment that we strive to maintain.

[Reminder: Camper cell phones are prohibited at camp.](#)

ONLINE PHOTOS

Our staff photographers capture campers throughout the day so we can share those special camp moments with you. We use the [Campanion App](#), which combines the convenience of one platform with facial recognition technology to help you quickly find photos of your camper and, with your permission, the app will notify you when a new photo of your camper has been uploaded. You'll still be able to browse all photos that are uploaded.

To use this feature, upload a "Face Finder" photo directly in the [Campanion App](#). Please note: this photo is separate from the Camper Photo Form found under Forms and Documents.

Our goal is to photograph every camper at least twice per week and upload photos consistently. We appreciate your patience as we balance taking and uploading photos with our top priority: the safety and wellbeing of all campers at CBM.

Camp Barney Medintz reserves the right to use individual, or group photos of campers taken during the summer for marketing purposes. Only enrolled CBM families and their invited guests have access to our online photos during the summer.

Health and Safety

MARCUS HEALTH CENTER AND MEDICAL STAFF

The Marcus Health Center at Camp Barney is centrally located. It is antiseptically clean, air-conditioned, and well-equipped.

Our medical staff includes a physician, several registered nurses (RNs, LPNs, APRNs, and/or PAs), and two to four health center assistants/interns each session. A member of the medical team is available to campers and staff 24 hours a day. A network of nearby medical care facilities is also available: medical clinics are located 4 miles away in Cleveland, 25 miles away in Gainesville, and 60 miles away in Atlanta; dentists and orthodontists are also available in these locations. Additionally, many Camp Barney Medintz staff are trained and certified in First Aid/CPR/AED or Wilderness First Aid prior to your child's arrival.

Campers receive excellent medical attention. Whether they take daily medications, require treatment, or need to be admitted for an overnight stay, their health and safety are always our primary focus. If a camper develops an illness that requires a prescription medication, a change in medications, an overnight stay, or outside consultation, a member of the Health Center staff will call the camper's primary parent on file to discuss the treatment plan.

PREPARING FOR CAMP

REQUIRED ANNUAL MEDICAL EXAMINATIONS

All campers must have a medical exam by their physician prior to their arrival at camp. The Health History form and the Physician Examination form are due by April 1st. **Campers will not be permitted to attend camp without a completed Health History Form and Physician Examination Form.** If you have any comments regarding Health Forms, email MarcusHealthCenter@campbarney.org.

FLU SHOTS

We encourage every camper and staff member to have a **current annual flu vaccination**. Everyone should be screened by parents for [flu-like symptoms](#) prior to drop off for Camp Barney. If a camper [shows flu-like symptoms](#), the camper should be screened by a physician prior to coming to camp. All campers must be fever free without fever-reducing medications for 24 hours prior to arrival at camp.

IMMUNIZATION POLICY

For each child enrolled, the parent (or legal guardian) must attest that [all immunizations required for school in the state of Georgia](#) are up to date, including the actual date (month/year) of last tetanus shot. This is the requirement for all campers, regardless of their home state. Any requested medical exemptions must be signed by a doctor within the past 12 months. Only medical exemptions approved by the MJCCA will be allowed. It is the responsibility of the parent (or legal guardian) to update the file when the health records change.

MEDICATIONS

Prescription Medications: Any camper who takes prescription medication while at camp must have it filled and packaged through our pharmacy partner [True Pharmacy](#). [Directions are linked here](#) and on our website. Prescriptions and/or orders are due to True Pharmacy by May 9th for first session campers (including Kochavim, Youth A & B, and CBM Experience) and June 7th for second session campers (including Kochavim and Youth C& D).

Over-The-Counter Medications: True Pharmacy can also supply most over-the-counter medications. While we recommend this option to avoid a processing fee for improperly packed medications, alternatively, parents can follow [our specific packaging instructions](#) to send over-the-counter medications to camp prior to their camper's arrival.

Please note that **we cannot accept medications at the bus**. The only exceptions are emergency medications, inhalers, and injectables, which you must list on the medication tab of your camper's Health History Form.

We rely on parents to work in partnership with our Marcus Health Center staff by following these instructions so we can safely and efficiently administer medications to campers and let them get back to the joy of camp! Please ensure that all medications are sent to camp according to the instructions above. Should medications be sent to camp improperly, are not reported in camper's health history forms, or are dropped off at the bus (and are not an exception), **we will assess a processing fee of \$125** to accommodate the extra staffing required for verifying and preparing these medications for distribution at camp. If you have questions, please email MarcusHealthCenter@campbarney.org.

All camper medications, except for life-saving emergency medications such as rescue inhalers and EpiPens, must be stored in the health center. Campers are not permitted to carry or store their own prescription or over-the-counter medications on them or in the cabin. Counselors are responsible for medications only during trips or campouts. Otherwise, counselors may not keep medications for campers either.

Additional information about medications at camp can be found on our website at www.campbarney.org/current-families/healthy-campers.

MEDICAL INSURANCE

Camp Barney Medintz does not provide medical insurance. All campers must be covered by a health insurance plan or they will not be permitted to attend camp. Expenses applied toward a family's insurance include visits to an out-of-camp clinic or hospital and prescribed pharmacy medications.

WELLNESS AT CAMP

LICE SCREENINGS

All campers are screened for lice by our medical staff and trained professionals upon their arrival at camp and prior to moving into their cabins and unpacking their luggage. Please help us by checking your child prior to their arrival at camp. If your child is found to have nits or active lice, we will attempt to get in touch with you via your primary cell phone number to present the following options:

- A professional service will perform a lice treatment at camp. Your child will be able to return to their cabin once the treatment is complete. You will be responsible for the cost of the treatment. We will provide the exact cost of the treatment at the time of the call.
- If you do not wish for your child to receive treatment at camp, your child will need to return home for treatments and may return to camp after they receive two treatments and a signed letter from their doctor indicating he or she is lice and nit free.

To ensure that your camper's transition to camp is as seamless as possible, if we are unable to contact you via phone, we will pursue option 1 with billing to follow.

GLASSES

If your child wears glasses, it is extremely important that your child brings a spare pair of glasses to camp. Should their glasses break, it will be difficult to enjoy camp, and they should be replaced without delay.

BRACES

Please provide ample dental wax to help your child during moments of discomfort. There are dental professionals in our local town near camp should an orthodontic device break. Please help prepare your child to maintain their braces while at camp.

AUTHORIZATION

Camp management is authorized to use our judgment in arranging for any medical care not available in the Marcus Health Center that, upon the advice of the Camp Doctor, we deem necessary. Parents agree to pay all expenses involved, and any not covered by your family insurance, including insurance co-payments.

SECURITY

The Camp Barney Medintz property is a closed community that only allows scheduled visitors and pre-approved vendors. Camp's entrance is protected by an electric security gate at the entrance to Camp Barney. This is to provide better protection for our camp community. The security code is available to only our staff and select vendors. Camp Barney Medintz hires private licensed security and utilizes many other seen and unseen security measures to keep campers and staff safe throughout the camp season.

WEATHER

At Camp Barney Medintz, the safety of our campers and staff is our highest priority. Our leadership team actively monitors weather conditions 24 hours a day, 7 days a week throughout the summer so we can make thoughtful, proactive decisions that keep campers safe.

- **Continuous Monitoring:** Camp leadership monitors local and regional weather patterns around the clock using multiple professional-grade weather platforms, radar systems, and real-time alert technology.
- **Advanced Weather Technology:** We utilize current weather tracking tools and mobile alert systems that provide immediate notifications regarding developing storms, lightning, or severe weather activity.
- **Local Emergency Partnerships:** Camp Barney maintains communication with local emergency management and public safety officials, who notify us directly if there are any significant weather concerns affecting our area.
- **Safe Location and Infrastructure:** Camp Barney is not located in a flood zone, and our property is designed with camper safety and sheltering in mind.
- **Man-Made Lakes:** The lakes on our property are man-made and self-contained, meaning they are not connected to any rivers or larger bodies of water. This significantly reduces the risk of outside water flow or flooding impacting camp.
- **Prepared Leadership Team:** Our senior staff are trained in emergency preparedness and follow established safety protocols designed specifically for residential camp environments.
- **Clear Response Plans:** In the event of severe weather, our team follows detailed procedures that allow us to move campers and staff calmly and efficiently to appropriate shelter locations.

Families should feel confident knowing that weather awareness and preparedness are built into our daily operations. Our experienced leadership team takes a proactive approach to monitoring conditions and making decisions that maintain a safe, secure environment for every camper in our care.

Your Camper

CONFIDENTIAL CAMPER QUESTIONNAIRE

Families should complete the Confidential Camper Questionnaire in your [camp account](#) or through the [Campanion App](#). Your responses will help us immeasurably as we design cabin groups and prepare for your child's emotional, physical, recreational, and social growth! Please send any updates you feel are important for us in providing a positive experience for your family. You may update your form online directly through your Camp Account.

BIRTHDAYS

A wonderful celebration awaits campers whose birthday occurs during their session at camp, including yummy cake for their cabin and lots of singing by everyone in camp! (If your child's birthday falls during their time at camp, please highlight this on the Confidential Camper Questionnaire.) **Telephone calls and packages are not permitted on this special day.** Instead, please consider letters, cards, or emails!

CABINMATE REQUESTS

Families have an opportunity to provide their child's cabinmate request through the Cabinmate Request Form in your camp account or through the [Campanion App](#) under Forms and Documents. Because of various cabin sizes, CBM can only commit to facilitating one mutual request per camper. However, we will attempt to honor multiple requests when both families make the same request, unless there is a significant disparity in ages or grades. We strive to honor old friendships, encourage new ones, and create a cabin group that will enable a fabulous experience for each child.

BAR/BAT MITZVAH PREP

For campers whose Bar/Bat Mitzvah date falls before the end of December of this year, Camp Barney Medintz can arrange for your child to receive additional coaching from our resident Judaic Educators for up to two hours per week while at Camp at **no additional cost to you**. If you so choose, a donation to CBM for this service would be welcomed and appreciated!

Arrangements can also be made for such a *Simcha* should you choose to have your special occasion celebrated at Camp Barney during available weekends! (See "[Retreats](#)"). Please contact us for information about availability, schedule, activities, accommodations, catering, costs and any other special arrangements.

Beyond Camp

DONATIONS

A donation to Camp Barney Medintz is an investment in our Jewish future. Each tax-deductible gift allows us to enhance the camping experience of thousands of children and hundreds of staff. Gifts can be made [online](#) or by phone. For more information, go to campbarney.org/give or call [Bonnie Brodsky](#) at 678.812.4151. We appreciate your generous support!

CAMP RENTALS

Camp Barney Medintz is available for organizations and special occasions during several non-summer months each year. We can host retreats, meetings, camp rentals, life cycle events, reunions, and many more special gatherings. Fees include all lodgings, meals, and activities. If you are interested in reserving a weekend in the magnificent North Georgia Mountains for your group, family reunion, wedding, Bar or Bat Mitzvah between mid-August and mid-September please contact [Kate Stansfield](#).
